KERRY SCOTT TO LEAD OPERATIONS CENTER IN PANAMA CITY

FOR IMMEDIATE RELEASE

Denver, Colorado – June 18, 2019: [Liberty Latin America Ltd.](#) ("Liberty Latin America" or "LLA") (NASDAQ: LILA and LILAK, OTC Link: LILAB) today announced that it has appointed [Kerry Scott](#), Chief People Officer and SVP, to lead its Operations Center on site in Panama City, Panama.

Balan Nair, President and CEO of Liberty Latin America, said, "Kerry has been a tremendous asset to my Executive Team since the establishment of our company in January 2018. She plays a vital role in the development of our internal culture, the roll-out of innovative people policies, and the leadership and oversight of our entire human resources and communications functions. With this expanded role, she will relocate to Panama City and have an even greater impact on our business, and I am excited that she has accepted this new opportunity."

As part of this move, Scott will maintain all of her current responsibilities, but will also be in charge of providing cultural leadership to the team located in the Operations Center and building upon Liberty Latin America's already strong presence in Panama.

"Having visited Panama on numerous occasions, I have always been impressed by the people I have met, its great infrastructure, and importantly, its connectivity across Latin America and the rest of the world. I am looking forward to calling Panama home," said Scott. "This will be an exciting new challenge to further expand LLA's presence, foster a positive culture that drives business performance, and create moments that matter for our customers."

Scott brings to LLA's Operations Center significant international experience having lived and worked in the United Kingdom, the United Arab Emirates, Qatar, the Netherlands, and most recently in the United States.

ABOUT LIBERTY LATIN AMERICA

Liberty Latin America is a leading telecommunications company operating in over 20 countries across Latin America and the Caribbean under the consumer brands VTR, Flow, Liberty, Más Móvil, BTC, UTS and Cabletica. The communications and entertainment services that we offer to our residential and business customers in the region include digital video, broadband internet, telephony and mobile services. Our business products and services include enterprise-grade connectivity, data center, hosting and managed solutions, as well as information technology solutions with customers ranging from small and medium enterprises to international companies and governmental agencies. In addition, Liberty Latin America operates a sub-sea and terrestrial fiber optic cable network that connects over 40 markets in the region.

Liberty Latin America has three separate classes of common shares, which are traded on the NASDAQ Global Select Market under the symbols "LILA" (Class A) and "LILAK" (Class C), and on the OTC link under the symbol "LILAB" (Class B).
